selectively thinning existing Pradiata plantation to develop views to the Alps

Realigned N.C.C.B. access road. This location allows the golf course to become a total unit with no roading divisions interrupting the layout.

Boundary definition reinforced with planting and provides shelter from the S.W. wind

practice fairway

maintaining existing Pradiata plantation modified edges

No 1 tee

No 9 green

No 18 green

No 10 tee

maintenance complex

clubhouse complex. carpark

Temporary carpark

Reinforce existing species with additional planting

Club's access road through woodlot

location, in bread terms, of the major elements of the golf course
- 18 holes
- clubhouse complex
- circulation system
- carparks
- maintenance complex

and the utilization of existing natural features and vegetation
Refinement of these locations will be developed upon in the Design Proposal
