

# 48 Hour Design Challenge

## Competition Rules

All event participants will be working together for the 48 hour period.

All meals, snacks, and non-alcoholic beverages will be provided to teams.

Flights to and from the event are the participants responsibility.

All 48 Hour Design Challenge related travel within Christchurch will be provided by the organiser for out of town teams. Please inform the organiser of team itineraries so transport can be booked in advance.

Each team will be provided with two computers with design software. If additional computers or laptops are required participants will need to bring their own.

The organiser will provide:

- Networked colour A4 and A3 printer and photocopiers
- wide format printer and scanner paper
- wireless internet connection
- basic drawing supplies

All teams will be required to submit their scheme as a digital PowerPoint presentation for judging purposes. The organiser will provide USB memory sticks for each team to save their presentations.

No company names or team members names will be allowed on final presentations.

No external support is allowed during the Challenge.
