We want to collect and preserve your Canterbury earthquake stories and pictures.
And what happened next, and how some things have changed and some have remained the same.

Welcome to our basket for collecting material about the Canterbury earthquake on September 4, 2010, the following aftershocks, the Boxing Day event and the earthquake on the February 22, 2011.

A 7.1 magnitude earthquake - centred 40km west of Christchurch and with its epicentre 10km south-east of Darfield - occurred on Saturday 4 September 2010 (NZ time). Widespread damage occurred, with disruption to water, power and sewerage services.

February 22, 2011, was a smaller magnitude but because of its epicenter had a much larger impact on Christchurch including loss of life.

This basket has open membership. Register on Kete, and automatically join this basket.

Unuhia te rito o te harakeke kei whea te kōmako e kō?
   Whakatairangitia – rere ki uta, rere ki tai;
   Ui mai koe ki ahau he aha te mea nui o te ao,
   Māku e kī atu he tangata, he tangata, he tangata!

Remove the heart of the flax bush and where will the kōmako sing?
   Proclaim it to the land, proclaim it to the sea;
   Ask me, 'What is the greatest thing in the world?'
   I will reply, 'It is people, people, people!'
